Plaintiff,

v.

DAWN DORLAND PERRY et al.,

Defendants.

Civil Action No.

1;19-cv-10203-IT

AFFIDAVIT OF SONYA LARSON, PLAINTIFF, DEFENDANT IN COUNTERCLAIM, IN
SUPPORT OF HER
MOTION TO DISMISS COUNTERCLAIM OF
DEFENDANT, PLAINTIFF IN COUNTERCLAIM, DAWN DORLAND PERRY

I, Sonya Larson, Plaintiff, Defendant in Counterclaim, on oath depose and state as follows:

1. I did a word count using Microsoft Word of the five variants I wrote of my short story, *The Kindest*. I am told that each version of my story will be attached to the memorandum my lawyer is filing in court. I also did a word count of the Dorland Letter. Here is what I found.

- Dorland's letter: 381 words long.
- Word length of the **Brilliance version** [Exhibit A]: 5,520 words; length of letter, 251 words. The letter is 4.6% of the Story.
- Word length of the **Audible version** [Exhibit B]: 5,507 words; length of letter is 244 words. The letter is 4.4% of the Story.
- Word length of the **ASF version**: 5,393 words [Exhibit C]; length of letter is 237 words. The letter is 4.4% of the Story.

- Word length of the **version submitted to BBF** [Exhibit D]: 5,485 words; length of letter is 244 words. The letter is 4.4% of the Story.
 - Word length of the **Final BBF version**: 5,511 words [Exhibit E]; length of letter is 268 words. The letter is 4.9% of the Story.
2. Exhibit E, the Final BBF version, is the last version of the story that I wrote.
 3. The average length of each of the variants of *The Kindest* [Exhibits A through E] is 5,483.
 4. The average length of the letters in the five variants of *The Kindest* is 249 words.
 5. On average, the letters in each of the five variants of the Short Story comprise 4.5% of the Story.

Signed under the pains and penalties of perjury this 15th day of May 2020.
